**COURSEN COATING LABS, INC.  
TERMS and CONDITIONS of SALE  
EFFECTIVE 7/26/2017**

**(1) ORDERS**

All orders are subject to acceptance by Coursen Coating Labs, Inc., hereafter called the Corporation, at Costa Mesa, California. No order or contract shall be deemed accepted unless and until such acceptance is made in writing by the Corporation.

**(2) CUSTOMER MATERIAL**

The corporation cannot assume responsibility for loss or damage, from any cause, to customer owned parts or material delivered into the Corporation's custody for processing. By special agreement valuable property may be insured at a rate based on the declared value of the property.

**(3) SET-UP, FIXTURES AND TOOLS**

Set-up, fixtures and tools become an integral part of the Corporation's overall systems. Invoices covering set-up, fixtures or tools do not convey any title or interest to the buyer. Only part of such cost is ordinarily charged to the purchaser while the Corporation assumes the remainder and provides engineering time and experience in their design. For these reasons, set-ups, fixtures and tools remain the property of the Corporation and are not removable from the Corporation's plant.

**(4) DESIGNS AND PATENTS**

All designs and patentable features are, and shall remain the property of the Corporation, including those resulting from the requirements of the purchaser. The purchaser will indemnify the Corporation against all claims of patent infringement with respect to products manufactured wholly or partially to the purchaser's designs or specifications.

**(5) DELIVERY**

The Corporation shall make every effort to deliver on schedule. Adherence to schedule may depend upon prompt receipt of information or material from the purchaser. The Corporation shall not be liable for delays occasioned by fires, strikes, accidents or other causes beyond reasonable control. The delivery date is our best estimate of the time material will be shipped from our plant and we assume no liability for loss or damages, or consequential damages due to delay.

**(6) SHIPMENTS**

All shipments are FOB our factory, Costa Mesa, CA. When ordering, state clearly your desired method of shipment. Reasonable care is exercised in packing our products and we assume no responsibility for delay, breakage or damage after having made delivery in good order to the carrier. Claims for breakage or damage in transit should be made directly to the carrier. We will be glad to render all possible assistance in securing satisfactory adjustment of such claims.

(7) CREDIT TERMS

Standard terms of sale are net thirty (30) days, from date of invoice for customers with approved credit. The Corporation, may, at any time, when in its opinion the financial condition of the customer warrants it, either alter or suspend credit. The Corporation may, at its option, ask for prepayment, cash with order or cash on delivery.

- (a) A 1.5% per month (18% Annual) late fee will be added to all past due accounts.
- (b) Overdue accounts will be considered grounds for rescheduling or cancellation of any or all orders. In all situations, the customer is still responsible to pay for all parts which were ordered by and produced for the customer.

(8) INSPECTION ON ARRIVAL

The purchaser shall inspect the material immediately on its arrival and shall, within ten (10) days of its arrival, give written notice to the Corporation of any claim for nonconformance or shortage. If the purchaser shall fail to give such notice, the material shall be deemed to conform and the purchaser shall be bound to accept and pay for the material in accordance with the terms of the contract.

(9) GENERAL CONDITIONS

The Corporation will comply with agreed specifications as far as may be reasonably determined. Only written specifications will be considered valid. Defects of material or workmanship will be corrected by the Corporation, providing our inspection verifies the claim and notice of nonconformance has been given as required in above paragraph (8). We are not responsible for any damage to associated materials or equipment or apparatus, nor liable for loss of profit or special damages. There is no other implied guarantee or warranty or liability except as here stated. In the event of any dispute, the customer agrees to be bound by the laws of the state of California, USA.
